

Seven Days of Silver Points Sectional Bridge Tournament at Sea February 5th 2012

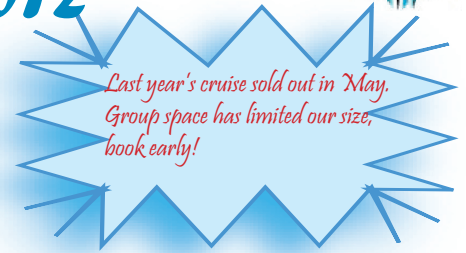

Presented by:

Your hosts:

Val & Rick Covalcine

It was the best Sectional we have ever been to. The lessons all by themselves would have been worth the price of admission. *Karen & Tom*

I wouldn't hesitate to go by myself next time. *Cathy*

Your lessons were very helpful. Very clear and focused. *Colette*

Your presentations and management of the games was the best we had seen by far.

Bobbie & Jim
