## A new face ☺

Many of you have noticed the new paint -- that is just the beginning of making your club the most modern and luxurious place to play bridge in all of the ACBL. So please be patient and soon we will have a "Grand Re-Opening Party" some time soon along with lots of new ideas to make your bridge experience more enjoyable.

## Trick or treat

Get on your best scary Halloween outfit and join us for a club championship and party on Oct. 31st. Bring a treat to share with your fellow ghosts and goblins. Hopefully, they will give you some tricks!

## Club appreciation

October is club appreciation month. We kick off with a Swiss Team on Sunday, Oct. 2 at 12:30. Not only is there no extra charge for the extra masterpoints, but the team event pays 5% gold points. Get your team together now!

## 299er tourney

We invite all players with 299 masterpoints or less to play in a sectional tournament Oct. 21-23. Your event times are 10 a.m. and 2:30 p.m. Friday and Saturday, with a two-session Swiss team on Sunday beginning at 10 a.m. We will have lite lunch available on Friday and Saturday and serve a full lunch on Sunday between matches.

For players with more than 299 masterpoints we will run our regularly scheduled open games.

## Bridge Workshop October 29-30

Add building blocks to your bridge tool kit by attending Val's intermediate bridge workshop. There will be four three-hour sessions on Saturday and Sunday morning and afternoon. The material is designed for the 299er and below. Master competitive bidding, improve your plan and techniques for declarer play and find out how to take more tricks on defense. Flyers are available at the club and online.
